BASIC TERMS FOR UNDERSTANDING SATANIC ART

Darkness, the abyss is the world of unspiritualized critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of SOCG¹. This is an image of the evil of our world. In some cases, it will mean the opposite meaning, because it is the evil of darkness that gives rise to hell, vengeance and Satanists. "Children of darkness" in this case means Satanists. Also, the image of darkness can mean Hell for the forces of evil. The image of darkness and the abyss is an important and meaningful term in Satanism.

Light is Satan, Lucifer. Light is Satanism and satanic spirituality, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the tamer of evil in our world and in hell

Sadness, grief, regret is an indication of the understanding that evil has engulfed the whole world and a Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG and religion. This is the definition of the term specifically for Satanism and for Satanists. Also, these images can represent ordinary human emotions towards people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in hell. Unspiritualized critters, leaders of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Returning the earth and returning freedom to people - this image is important for all Satanists. It means the overthrow of all SOCGs and religions, the cleansing of the earth from unspiritualized critters, from their stupid and senseless evil. This is an image of the cleansing of planet Earth from states and their totalitarianism.

Night is an image of what a Satanist in the world of evil of our world is almost groping. The light for him in the night is his satanic spirituality. Darkness deepens at night and light is needed most at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in navigating, acting, and living without light.

Lost, abandonment and abandoned - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through satanic spiritualization. This also means that in our world Satanists do not have their magic to instantly destroy evil, as in hell, in Satan's native dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan; therefore, they replace Satanic spiritualization with god and religion.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and god is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with SOCG chieftains.

Satan is not a god. Satan is a Teacher for a Satanist, a spiritualizer, a source of black magic, Alpha and Omega. Satan is the Adversary of evil. Satan is the Accuser of evil. Satan is the Tamer of Evil. Satan is the Father of all Satanists. Lilith is the mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the inner spiritualization of the Satanist, not the dogmas, sermons of priests or books of religion. At the same time, Satanism does not deny the importance of biological parents.

¹ SOCG is an abbreviation that stands for the true meaning of the state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

Image 2201. Terms, concepts and areas that are affected by overpopulation of planet Earth.....	21
Image 2202. What is Overpopulation? Overpopulation is the overcrowding of planet Earth with people.....	21
Image 2203. The population of planet Earth has increased 5 times from 1950 to 2050 - from 2 to 10 billion individuals of the human species. Moreover, 99%+ of this number are animal organisms with low spirituality and a high content of stupidity, evil, and meaninglessness of existence.....	22
Image 2204. Overpopulation is when too many people gather in one habitat. Planet Earth needs 100 million people. With an overpopulation of 10 billion, only 1 in 100 people will be spiritual and useful. The other 99 people out of 100 are unnecessary people and unnecessary meaningless offspring.....	22
Image 2205. Excessive human offspring. The most disgusting critters breed their own kind	23
Image 2206. The brood in India has already grown and is happily going off to breed new critters	23

Image 2209. Concepts of Attitude to the Birth of New People. From the Wizard Breeder to the Neverborn	25
Image 2210. Secondary pollution of the planet by urbanization, houses, huts and garbage. A farmstead or estate is better. The worst are human anthills or anthills of huts with multi-child critters	25
Image 2211. The contented critters go to reproduce their own kind and pollute planet Earth with their bio-garbage ..	26
Image 2212. Dynamics of growth of the number of critters of the human species from 1800 to 2500. Even in 1800, anthropogenic pollution of the world was exceeded by 10 times. 1 billion is too many people. 100 million people is a normal number, 10 million is the time of freedom, spirituality and value of each person.....	26
Image 2213. Antinatalism breaks the circle of suffering of new people, i.e. children - an unconsciously imposed new human offspring. The meaning of antinatalism is to free children from suffering, and to make people's lives more joyful, sanctified by the spiritualization of Satan.	27
Image 2214. The well is empty, but a fountain of new buyers is received. Consumerism and the desire for senseless reproduction of their own kind are connected. Natalists and religious sectarians are also related concepts. Sects, fascism, evil and the SOCG demand that human females reproduce. And women follow the lead of the villains.....	27

Image 2223. Thank you, but get away from me with your children and advice on how to have them. I know how to live myself. The critters are trying in every way to impose natalism on everyone around them, even on Satanists. Most Satanists do not want children and are conscious anti-natalists. Go to Hell with your advice and children!	33

Image 2242. A demonstration of anti-natalists who adhere to the concept of childfree. We don't need pacifiers, children or strollers. Of course, it looks funny, but don't forget that natalists impose their dogmas about the need to give birth to children, as if this is a genuine truth or an axiom in mathematics.....	45
Image 2243. Keep abortion legal! Support the legality of abortion! This is the demand women make to the leaders of the GOPG. Antichrist Bitch Sodomy recommends that conscious women Satanists do permanent sterilization, and not go around with cardboard boxes, begging for mercy from the fascists of the GOPG.....	46
Image 2244. The overpopulation of the "developing countries" comes from the lack of awareness of the population of these territories and from low spirituality. Savage people use the achievements of white civilization and reproduce like animals. Satanism is awareness. Savagery is an animal life in the style of monkeys. Black people can also be conscious if they live among the spiritualized white civilization.	46
Image 2245. Comparative birth rates on planet Earth in 1970 and 2014. The overall rate has decreased, but it is worth remembering that the absolute number of new offspring has increased or remained at the same level. Image 2248. Do you have kids? This is perhaps the most impudent question of the beasts for antinatalists and Satanists. What business is it of yours, beasts? Your new offspring, your children are meaningless for antinatalists. In Japan, a country of high spirituality of people, such a question is considered extremely indecent.....	49

Image 2253. "Good" Satanists, antinatalists and childfree people. It is not known exactly who this group of conscious people are, but they call not to have children. PREFACE

The theme of the album-collection SatanArt №23 is Overpopulation (also called Overpopulation) of the planet Earth with human organisms and related concepts, terms and spheres. Slut Sodomia believes that the main areas related to the theme of the collection are: Childlessness. Antinatalism. Anthropogenic pollution of the Earth. Therefore, I have included all these topics in the current collection as related to each other.

I ask the reader to consider the direct overpopulation of the planet with the bodies of critters and their internal evil (emptiness) - primary anthropogenic pollution, and I ask to consider the activity of these critters

as secondary anthropogenic pollution. Secondary anthropogenic pollution is:

1. Garbage.
2. Poisoning of nature.
3. Depriving man of connection with nature - urbanization. Nature is a natural and pleasant habitat for people. Anthropogenic garbage dumps are an unnatural habitat.
4. Building up the Earth with hovels and human anthills (i.e. multi-apartment and multi-story buildings) worsens the quality of life.
5. The increase in the human population gives rise to an increase in the level of evil throughout the world.

Today, the main problem facing the entire world community as a whole is the overpopulation of the Earth. Overpopulation is an excess of population in relation to the means of subsistence or to the demand for labor. That is, if not all of the planet's population is in demand for work, and not all of the population is provided with resources for subsistence, then they say that the planet is overpopulated with people.

It took about 1,800 years for humanity to reach one billion, but in just 100 years, the population explosion of the 20th century increased the world's population more than sixfold.

Overpopulation (or overcrowding) is the idea that a population may become too large to be supported by the environment or resources in the long term. The topic is usually discussed in the context of world population, although it can also apply to individual countries, regions, and cities. Modern proponents of the concept have suggested that overpopulation, population growth, and overconsumption are interdependent, and together are the main drivers of human-caused environmental problems such as climate change ².

Defining "overpopulation" is not always straightforward. What constitutes "excessive" numbers depends largely on the specific environment and its ability to support a species. However, some general indicators help to identify potential overpopulation problems on Earth:

1. Resource depletion: a noticeable reduction in available resources such as food, water, or habitat due to increased competition within a species.
2. Habitat degradation: environmental damage caused by a species' feeding habits, nesting behavior, or waste production. This could include overgrazing, soil erosion, or water pollution from excessive waste.
3. Increased disease transmission: more densely populated populations often have higher rates of disease transmission due to increased contact between individuals.

² https://en.wikipedia.org/wiki/Human_overpopulation Wikipedia. Human overpopulation. Page view date 03/19/2025

4. Conflicts between individuals within their own people and between different peoples (i.e., the zones of influence of the SOCGs, called countries). This leads to wars, propaganda, and poor living conditions for all involved.

Scientists all over the world are inclined to believe that the avalanche-like acceleration of population growth is one of the main reasons causing cataclysms. And as long as the population of the Earth grows, the fight against evil, territorial wars, and environmental pollution will not have a positive result. Today, constructive measures from the entire world community are required to solve this problem.

It may seem that the Earth can accommodate a much larger number of people than the current figure of 8 billion, because two-thirds of the population lives on 8% of the land. But even a minimal increase in our population has a destructive effect on the environment. Other factors that give rise to the negative impact of overpopulation of planet Earth on the quality of life and the happiness of each individual are also important.

The first scientist to systematically understand the threat of overpopulation of the planet was the English economist Thomas Robert Malthus, author of the book "An Essay on the Principle of Population", published in 1798. He believed that in a few decades people would face a food shortage. This forecast did not come true thanks to technological progress, which allows for the scaling of food production.

Some demographers believe that a slight slowdown in overpopulation is possible in the next 100 years. Thus, scientists from the United States published an article in the scientific journal *The Lancet* devoted to population growth scenarios for 195 countries until 2100. The calculations were made based on data on reproductive capacity, migration and mortality, which were collected during the Global Burden of Disease (GBD) project. According to scientists' calculations, the population will peak in the middle of the 21st century (9.73 billion people will live on the planet in 2064), then the figures will begin to decrease. In 2100, 8.79 billion people will live on the planet. These demographic changes will be caused by the spread of education among women, as well as wider use of contraception in Africa and the Middle East. As a result, the birth rate will decrease to 1.7 children per woman. These are all hypotheses. At the moment, there is a clear trend towards extreme overpopulation of planet Earth, which is 80-100 times or 8000%-10000%. This is the opinion of the Antichrist Slut Sodomia. Slut Sodomia wrote in more detail about the optimal number of people for planet Earth in the grimoire "Gay Lust".

Let me move on to the question of what overpopulation of planet Earth means from the point of view of Satanism. At the level of Satanism, a large number of unnecessary and excessively imposed people is a negative factor:

1. An obstacle to the high-quality spiritualization of people by Satan - not everyone gets the light of Satanism. Only a small percentage of the planet's population will receive the light of Satan during life and eternal life after death. Most critters will remain empty shells.
2. Spiritualized Satanists are drowning in an ocean of evil that is born from non-spiritualized critters and mental freaks. Even the critters themselves are not pleased to be in such an atmosphere of evil among brainless freaks. Therefore, the world is flourishing with migration of freaks to places where there are more spiritualized people. I do not want to live with migrant monkeys who do not have normal spiritualization.
3. New human offspring comes into our world for suffering, oppression, torment. This topic is dealt with by antinatalists. After death, entropy in Hell is added to this for stupidity and all the nasty things this offspring did in our world. This topic is dealt with by Satanists.

I thought for a long time whether it is worth giving a more understandable and precise EXPLANATION OF THE WORD CRITTERS based on the composition of these beasts. I came to the conclusion that it is worth it, because then the understanding of the subject of discussion becomes more understandable, and not vaguely

abstract. I give an approximate composition of the critters that multiply as a result of overpopulation of planet Earth:

1. Empty, gray, meaningless people who live a quiet life of philistines and do not particularly bother or disturb anyone - these are the best critters on the list. The main nastiness of these people is that they do not resist evil, they love fascism and the SOCG. These critters cannot distinguish good from evil. They have low spirituality and the lack of talent is the norm among them. This is the main gray cattle mass, which I consider to be fairly harmless critters, although they are the basis of the biohumus of evil. Such critters are 50% of the number of critters. Usually these people are workers, office plankton and quite a good buffer filler of society - the working class of proletarians, i.e. modern slaves. If only the critters of this group existed and there were no other groups of critters, then their evil in our world could be defeated quite easily. Yes, these people do all sorts of small nasty things, these people pollute the Earth with their presence, yes, these critters are the main natalists, but they are so insignificant that even 3% of Satanists could reduce their numbers to the necessary minimum. Approximately as airing a room with clean air reduces the number of pathogenic viruses, dust and bacilli in the air. But this group of critters is not alone. This is only the main biohumus of evil.
2. Spoiled alcoholics and animal bastards in the form of human-like monkeys make up about 30% of the number of critters. Think for yourself, how many alcoholics do you see in society and how many critters look like animals? These critters live their lives simply by eating food, consuming products and shitting with their excretions in the form of all kinds of anthropogenic pollution. It is possible that in your area there are not 30% of such freaks. Therefore, I ask you to consider the percentages I have given for the groups of critters only as an approximate guide to the composition. This group of freaks is quite aggressive and unpleasant. This group includes drug addicts, victims of orphanages and shelters for orphans, fallen intellectuals and other critters distorted by the external influence of evil. The good news for these critters is that useful entheogens and psychedelics can return their spirituality and lead them out of the zone of evil of this group. Of course, for this to happen, a person himself must want changes and act consistently.
3. Mercantile politicians, members of the SOCG gang, ardent fascists, ardent sectarians, merchants, profiteers and other highly paid riffraff make up no more than 10% of the population. This group of freaks is engaged in using other critters as biohumus for their lives. Usually, these people are considered intellectually developed and respectable neighbors. The problem with these critters is that they do not have a good spirituality, their whole world revolves around enrichment or career growth. These critters do massive nasty things to other critters and are considered the official faces of evil in the territory occupied by the SOCG. The top of the SOCG also belongs to this category of the "golden billion" of critters.
4. The remaining 10% of the population are psychopaths and psychos. A separate grimoire can be written about psychos. Psychos are people who have disrupted connections in their consciousness. These can be internal injuries to the body or disturbances of internal spirituality without damage to the body. But psychopaths are nasty critters who are the embodiment of evil that is in our world. Even members of the SOCG do not like psychopaths and see them as a threat to themselves. Below I will describe this group of critters in more detail, because not all readers have encountered such people or do not know that they have encountered them. The peculiarity of these evil critters is that this is the most sophisticated evil that wears masks. These masks can be very artfully put on for many years.

The first symptoms of psychopathy usually begin to appear in late childhood or early adolescence. Children may begin to lie, steal, be violent, ignore rules of conduct and cultural norms. Their parents and health care professionals most often attribute these manifestations to adolescence, attention deficit hyperactivity disorder (ADHD), or teenage depression.

The main signs of psychopathic disorders include:

- cruelty, physical and psychological aggressiveness;
- tendency to violence;
- recklessness and irresponsibility;
- indifference;
- lack of control over one's emotions;
- increased impulsivity;
- selfishness, narcissism;
- hypocrisy, deceitfulness;
- violation of laws and the rights of others;
- cruelty to animals;
- pathological lying for one's own benefit;
- risky behavior and actions;
- callousness, lack of emotion;
- conflict;
- promiscuous sexual relations;
- a tendency to manipulate;
- lack of conscience and remorse for actions committed;
- difficulties in building social relationships.

The most common and hidden signs of psychopaths are:

- charisma, the ability to make a good first impression;
- external attractiveness;
- the ability to support any conversation and find an interlocutor;
- increased energy, the desire for constant movement and vivid impressions;
- intolerance of routine, a tendency to change actions and environment;
- inflated self-esteem, a grandiose sense of self-worth (tend to live by their own rules and believe that laws have nothing to do with them);
- the desire to get rich or famous without making an effort;
- frequent change of partners or several marriages.

Psychopathic disorders in men most often manifest themselves in the form of antisocial behavior, aggressiveness, a tendency to violence, manipulative actions, violation of laws, criminal activity. Psychopathic disorders in women are somewhat less common. As a rule, they manifest themselves in the form of an unstable emotional background, sudden mood swings, impulsive actions, abuse of alcoholic beverages and psychoactive substances³.

Narcissistic personality disorder (NPD) is a personality disorder characterized by a belief in one's own uniqueness, special position, superiority over other people, grandiosity; an inflated opinion of one's talents and achievements; preoccupation with fantasies about one's successes; an expectation of unconditional good treatment and unquestioning obedience from others; a search for the admiration of others to confirm one's uniqueness and significance; an inability to show empathy; ideas about one's own freedom from any rules, about the envy of others. Narcissistic personalities constantly try to control the opinion of others about themselves. They tend to devalue almost everything around them in the world, while idealizing what they associate themselves with. Perceiving people and situations in black and white, as completely bad or

completely good, is one type of narcissistic defense. A narcissistic mother is usually unable to meet the emotional needs of her child and contributes to the transmission of narcissistic pathology from generation to generation⁴. People with narcissistic personality disorder are evil incarnate. Many of these psychopaths work as part of the SOCG under the guise of "good citizens". Slut Sodomia has a long history of communicating with a critter, a carrier of NPD. Perhaps I will write about this in my second grimoire.

Symptoms of narcissistic personality disorder include the following:

1. Inflated self-esteem.
2. Constant feelings of self-worth.
3. Need for constant, excessive adoration, praise, and appreciation.
4. Expectation of superiority over other people, even when there is no basis for it.
5. Need to brag about achievements and prizes, no matter how small.
6. Frequent fantasies about the ideal partner, beauty, wealth, success, etc.
7. Superiority complex leads them to believe that they can only get along with equally special people.
8. Need to belittle people they consider inferior to them.
9. Expectation of special treatment and unquestioning compliance with the same.
10. Inability to recognize and empathize with other people's feelings.
11. Thinking that other people are constantly jealous of them.
12. Being pretentious, arrogant and boastful.
13. Needing to have the best things in stock.
14. Feeling angry and impatient when not given special attention.
15. Taking criticism very poorly.
16. Feeling slighted even after the slightest interpersonal problem.
17. Depression and emotional instability.
18. Hidden feelings of humiliation, insecurity and vulnerability⁵.

Interestingly, critters with NPD act according to one scheme, with the help of which the narcissist ties up the victim, drawing them into the trap of narcissistic abuse. Here are these stages:

1. The "Lovebombing" stage - the narcissist confesses his unearthly love for the "resource=victim", throws lies about how he has found an ideal in the victim and wants to be the same as the victim.
2. The stage of merging the narcissist with the resource.
3. The stage of the beginning of abuse and all kinds of humiliation of the person. Finding shortcomings and belittling merits.
4. The stage of dropping masks: betrayal, lies, mockery of the resource.
5. The stage of connecting a support group for the moral destruction of the victim. These are "friends" and "girlfriends".
6. The stage of utilization of the resource.

The narcissist always acts according to this scheme, about which there are many videos on the website YouTube.com⁶. The topic of NPD is discussed by many people correctly, accurately and always a psychopath with NPD acts according to one biological program of evil, which is sewn into them. Psychopaths have no empathy - this is their main difference from the Antichrist.

Readers may wonder, what type of personality does the Antichrist Slut Sodomia belong to? This is a good question, and I will answer it. The Antichrist is a super-empath - this is the antagonist of psychopaths who do not have empathy. A super-empath is a type of personality that allows you to see the lie in people's feelings, tear off masks, expose evil and resist all the abuses of the narcissist about the pseudo-insolvency of the personality of his victim. Therefore, the Antichrist is a "terrible and terrible" person for a narcissist⁷. I tear off the masks of evil quickly and painfully for evil. The bearer of evil NPD has no chance against a super empath. However, the Antichrist can wear any masks himself. In particular, the Antichrist can be a conscious sadist and a conscious psychopath. I can take such a mask in our world, but I do not like to do it. I like to be a sweet empathic slut, preferably passive and cheerful. Also, the Antichrist can wear protective masks of a believer, a patriot, a "decent person", a lover of the state and other useful masks for our world. The Antichrist does this for protection and consciously. There are no disorders or pathologies, only a means of protection from the evil of our world.

The more overpopulation, the more the vilest critters from this list will multiply. Although, of course, all the critters from my list are vile. Even those that are a calm biohumus of evil, gray proletarian mice. The fewer people there are, the fewer evil critters there will be on planet Earth. Even a 5% presence of Satanists in the population of planet Earth will begin to suppress evil, like herbicides suppress weeds in the fields, like insecticides suppress flies in a room, like an antiseptic suppresses inflammatory pathological processes in the body.

I do not like children, I do not like natalists, and I do not like the crowds of moral freaks that fill our world. The Antichrist does not like freaks who breed freaks like themselves. These mental freaks without the inspiration of Satan are either evil or biohumus for the power of evil on planet Earth. I do not like migrant savages who have littered the land in their region of residence and are trying to get into the world of white civilization to shit there and breed new freaks, already on the land of white people. Savage migrants bring with them not only religiosity, evil, stupidity, disease and dirt. These critters carry natalism and a desire to pollute the territory of white civilization with their offspring-children for many years.

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of the SatanArt album of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

SatanArt - test yourself for Satanism!

Slut Sodomia realized that with the help of the album SatanArt, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. **Therefore, SatanArt albums are a litmus test for determining Satanism in a person.** For the album SatanArt №19, this also works, but is especially evident in pornographic releases of albums of Satanic visual art.

I believe that visual paintings, just like music, can enhance immersion in Satanism and give Satanic spirituality to people of different ages and nations. These are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists are working in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a massive emergence of excellent works about Satan, Satanism and Satanists. In literally two decades, there has been a rapid birth and development of the modern art of Satanism. The computer, graphics programs and digitalization of art played a very important role in this. I think that in the future, artificial intelligence and neural networks will also become assistants for many artists of Satanism.

⁷ That's exactly what my trans-lover called me. And this phrase "terrible and horrible person" was said by the evil TS-mistress of Slut Sodomia to her "friends-girlfriends" to denigrate the Antichrist.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images⁸. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional⁹.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other

feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container¹⁰. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹¹.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ¹². The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

¹² According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all

SatanSongs music albums¹³. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.

- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁴. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

I dedicate the collection-album SatanArt №23 to one of the main problems of good spiritualization of people inhabiting planet Earth. The main problem is the excessive number of superimposed evil critters who do not have good spiritualization at birth and cannot receive it during adulthood. At the same time, I do not even mean satanic spiritualization for the masses of people, but I would simply like the quality of people to be higher than the animal level or the level of stupid consumption of goods with resources. It is the overpopulation of planet Earth that is the reason why satanic spiritualization is a rarity in our world. A huge number of empty people have been superimposed, who are simply bio-bodies without real spiritualization by awareness. About 90% of the planet's population lives the life of animals and pollutes the planet with their presence and their secondary anthropogenic pollution. The solution to this problem can be the phrases: stop being fruitful and multiplying! Critters, stop breeding your own kind of freaks! Satanists, childfree people, feminists and antinatalists are implementing these simple slogans. Partially, gays and many people of the LGBTQ+ community who are not inclined to give birth to new human offspring are implementing these programs. The evil of our world, fascists, religions and the SOCG want the critters to spawn and multiply in numbers. Evil wants the critters of the human species to be stupid, fooled and without significant spirituality. Evil is afraid that there is a significant number of spiritual Satanists in the world. When there are more than 10% of Satanists from the population of planet Earth, the power of evil will come to an end. Now this figure is much lower and is less than 1% among the best peoples of the world and about 0.001% among wild monkeys of the human species. I examined the topic of spiritualization of the population of planet Earth in more detail in the SatanArt album #19 “Satanic spiritualization in the quantum world of the External Information Field” and in the main grimoire of gay Satanism “Gay lust”. The collection-album SatanArt №23 is puritanical, i.e. this album does not contain pornography or explicit erotica, and can be published on public Internet platforms with puritanical, sanctimonious and strict rules for content.

¹³ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁴ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

Image 2201. Terms, concepts and areas that are affected by overpopulation of planet Earth

What is Overpopulation?

- Overpopulation is a major increase of human race in the world.
- It's when organisms exceed their carrying capacity of its habitat.
- It's the relationship between human population and its habitat

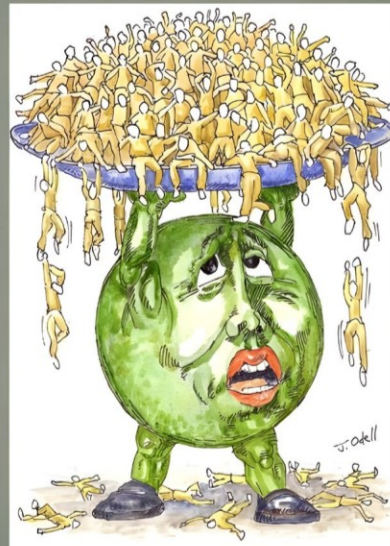

Image 2202. What is Overpopulation? Overpopulation is the overcrowding of planet Earth with people

POPULATION OF THE WORLD FROM 1950 TO 2050

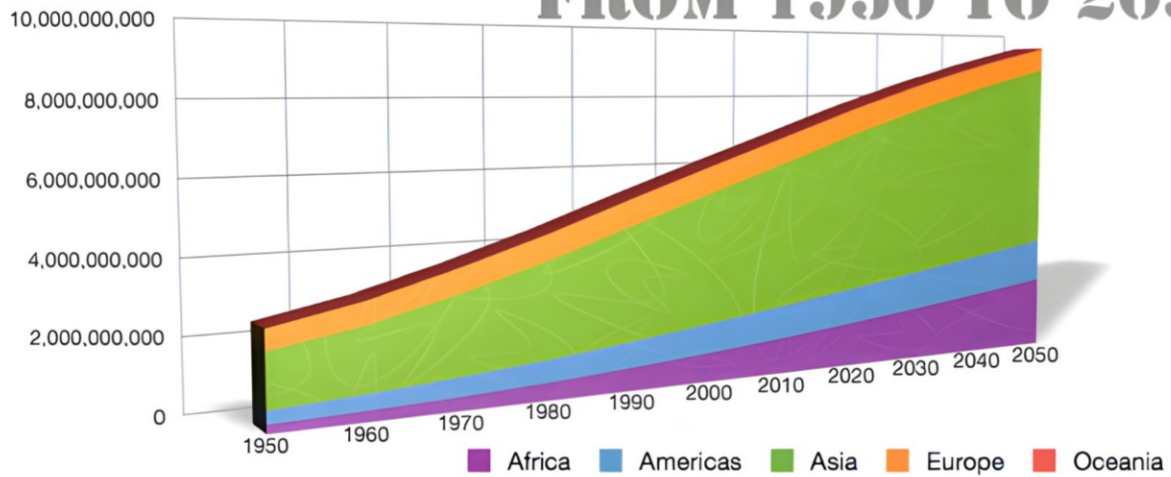

Image 2203. The population of planet Earth has increased 5 times from 1950 to 2050 - from 2 to 10 billion individuals of the human species. Moreover, 99%+ of this number are animal organisms with low spirituality and a high content of stupidity, evil, and meaninglessness of existence.

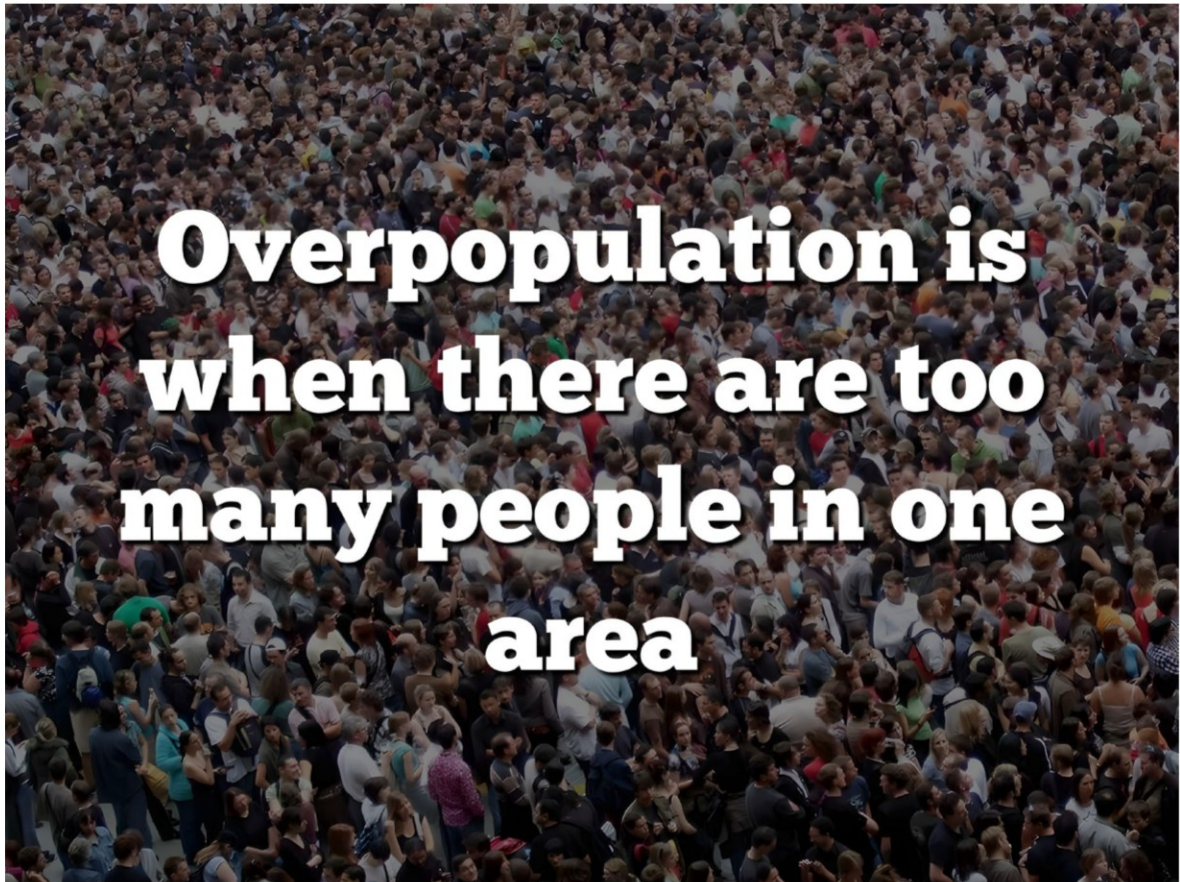

Image 2204. Overpopulation is when too many people gather in one habitat. Planet Earth needs 100 million people. With an overpopulation of 10 billion, only 1 in 100 people will be spiritual and useful. The other 99 people out of 100 are unnecessary people and unnecessary meaningless offspring.

OVERPOPULATION

Image 2205. Excessive human offspring. The most disgusting critters breed their own kind

Image 2206. The brood in India has already grown and is happily going off to breed new critters

Image 2207. Overpopulation creates a decrease in the value of each additional bio-organism. India

Image 2208. Live for yourself. Antinatalism – stop breeding. Enough critters already

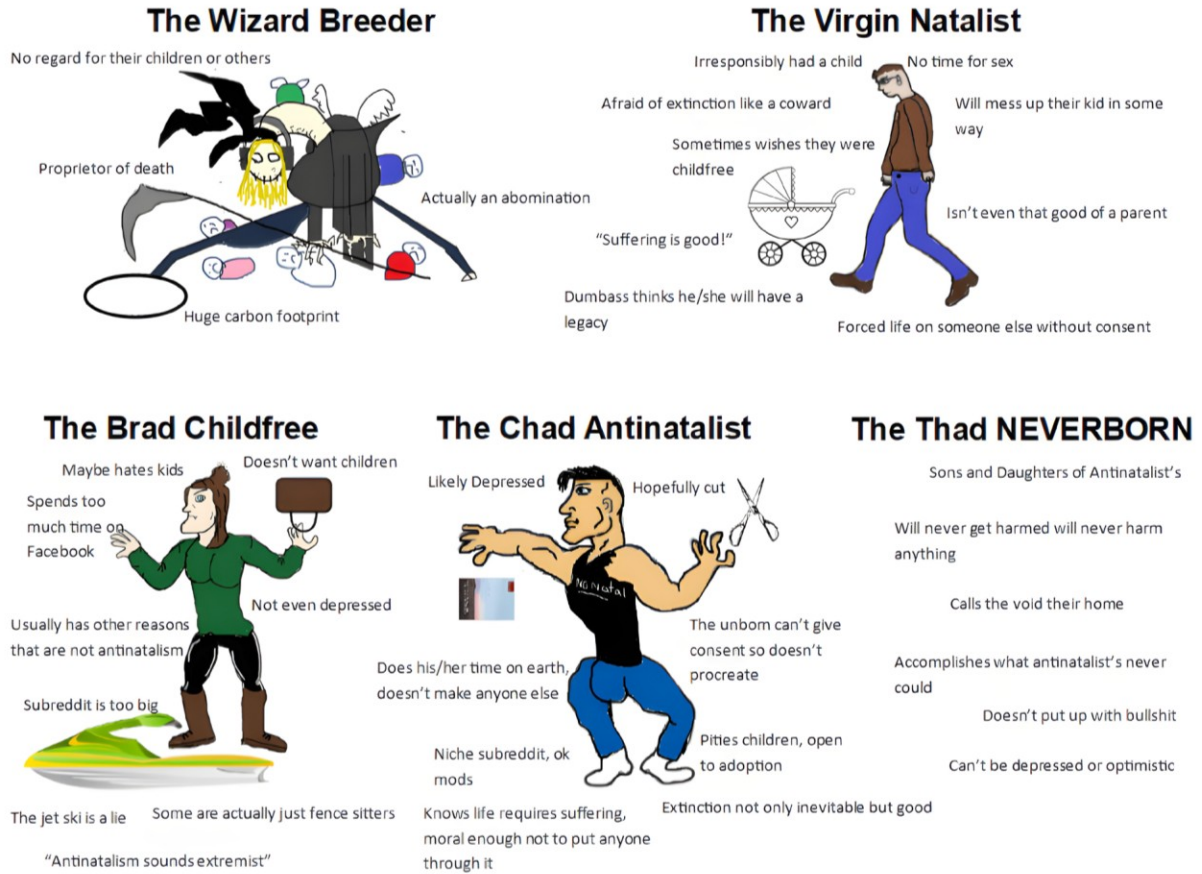

Image 2209. Concepts of Attitude to the Birth of New People. From the Wizard Breeder to the Neverborn

Image 2210. Secondary pollution of the planet by urbanization, houses, huts and garbage. A farmstead or estate is better.

The worst are human anthills or anthills of huts with multi-child critters

Image 2211. The contented critters go to reproduce their own kind and pollute planet Earth with their bio-garbage

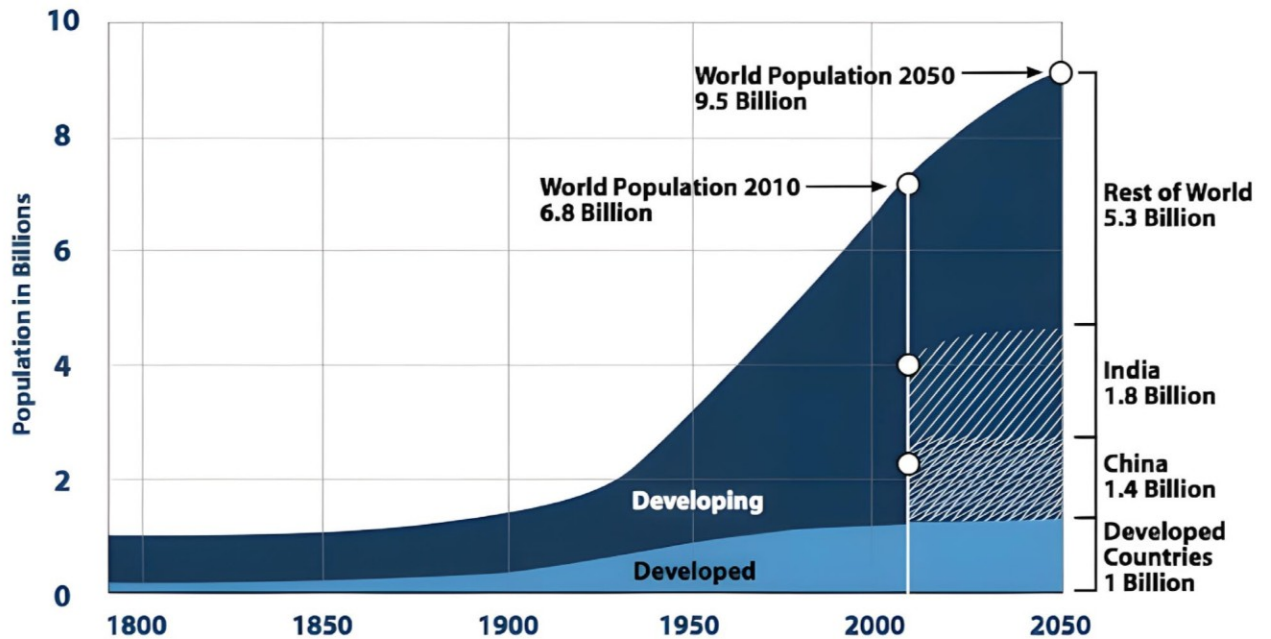

Image 2212. Dynamics of growth of the number of critters of the human species from 1800 to 2500. Even in 1800, anthropogenic pollution of the world was exceeded by 10 times. 1 billion is too many people. 100 million people is a normal number, 10 million is the time of freedom, spirituality and value of each person

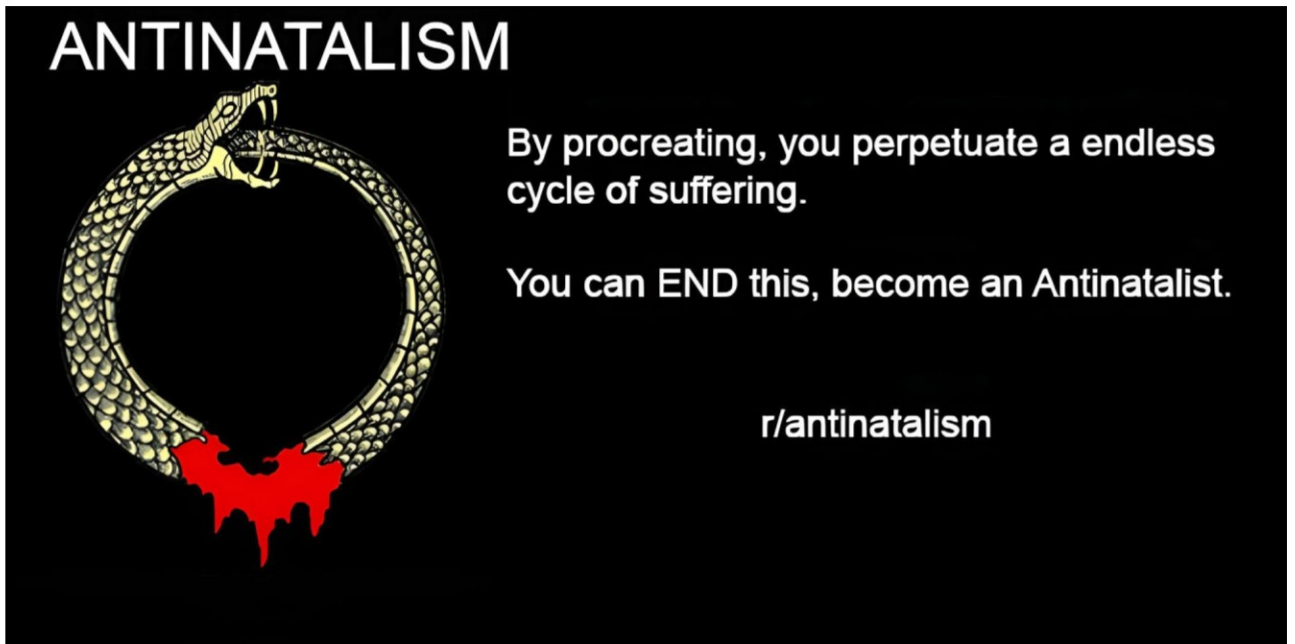

Image 2213. Antinatalism breaks the circle of suffering of new people, i.e. children - an unconsciously imposed new human offspring. The meaning of antinatalism is to free children from suffering, and to make people's lives more joyful, sanctified by the spiritualization of Satan.

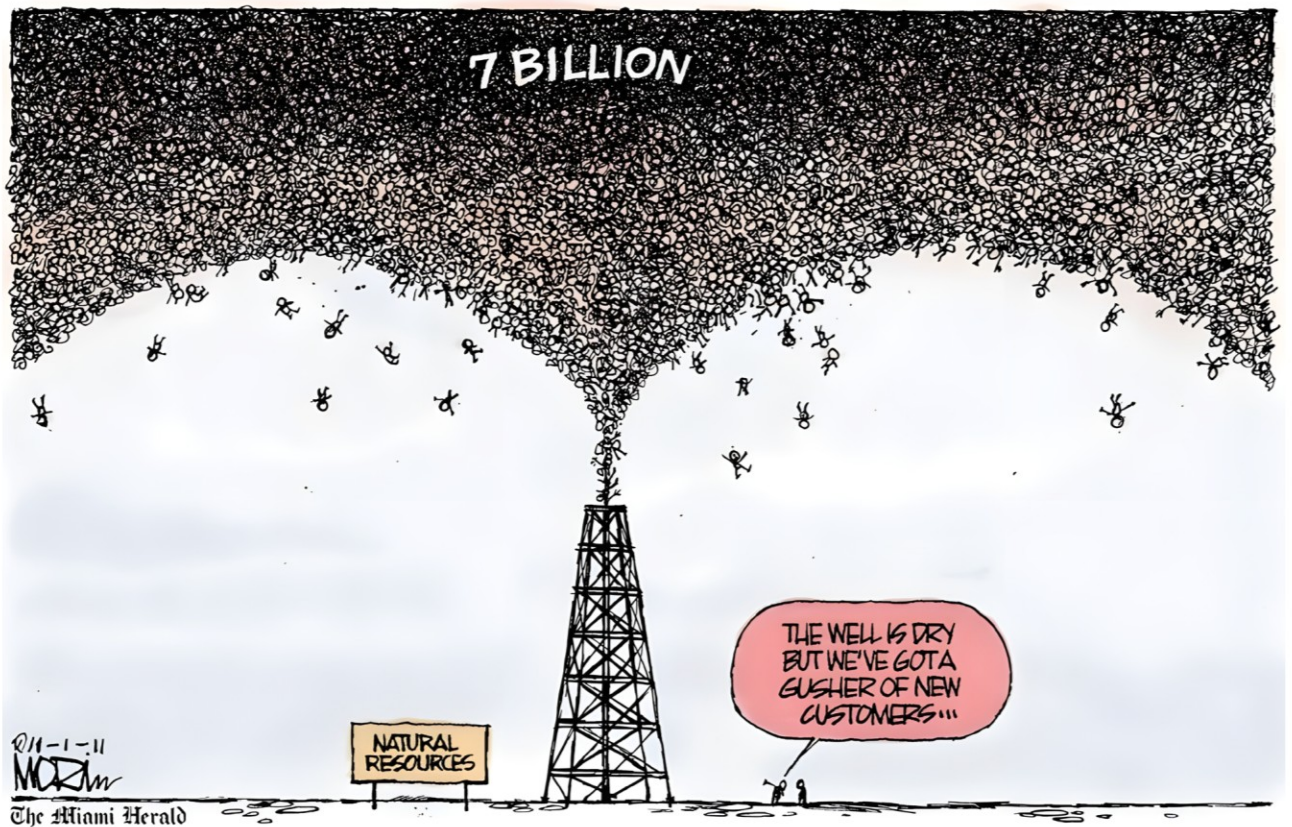

Image 2214. The well is empty, but a fountain of new buyers is received. Consumerism and the desire for senseless reproduction of their own kind are connected. Natalists and religious sectarians are also related concepts. Sects, fascism, evil and the SOCG demand that human females reproduce. And women follow the lead of the villains

Image 2215. This is a picture of anthropogenic pollution of a developed civilization. Financial gain and stress

Image 2216. This is a picture of anthropogenic pollution of a savage civilization. Religion and garbage

Image 2217. Photo of a small action of antinatalists, childfree, and possibly Satanists. In any case, these people realized that the world does not need more of their senseless genetic offspring and they want to convey this idea on their posters to the rest of the population (critters). I will say right away, the critters will not understand this

Image 2218. The birth of new born Satanists to the world is a celebration and jubilation. A rare phenomenon

Image 2219. Design by an extreme antinatalist. Stop polluting the world with the vaginal discharge of senseless offspring. A surreal satanic picture of Hell

Image 2220. The critters are loaded into train cars to spread their anthropogenic pollution across planet Earth.

Image 2221. Anthropogenic pollution is not only primary (people), but also secondary. They polluted the Earth

Image 2222. A kind Satanist with a poster: You can start a family without having children. Childfree anti-Nationalist at a rally to draw attention to the problem of overpopulation of planet Earth with senseless critters and their new offspring

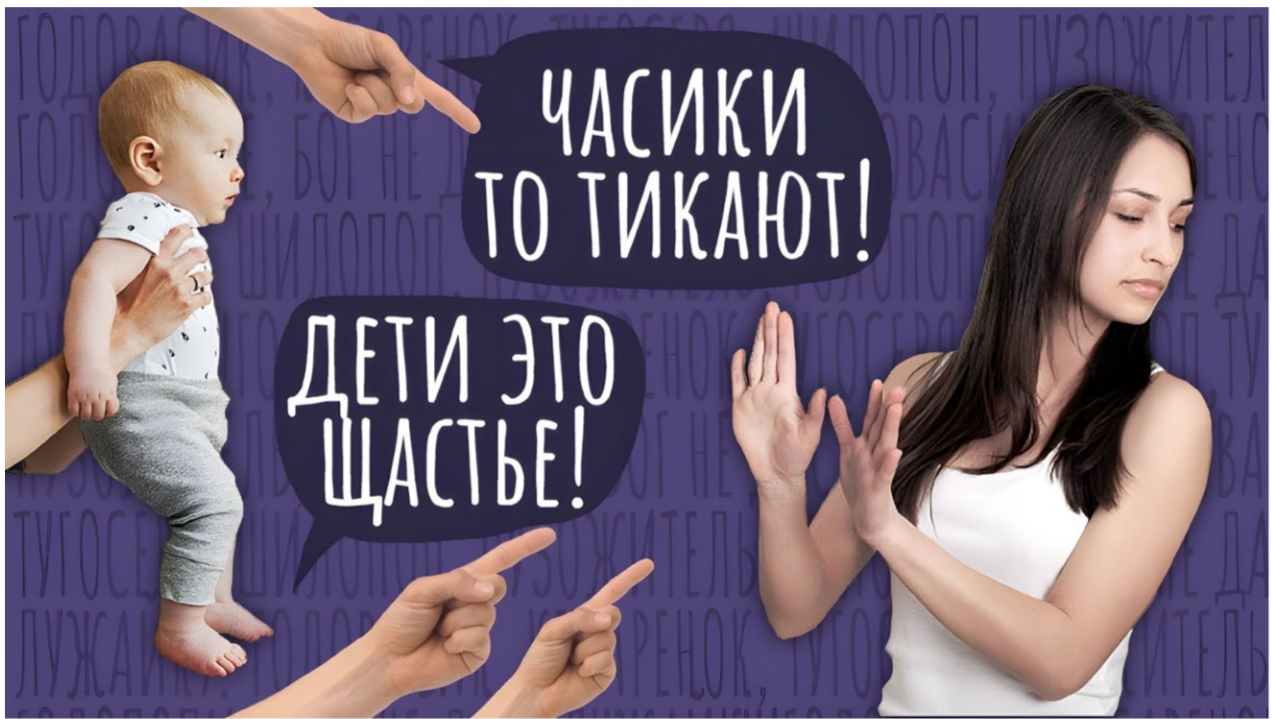

Image 2223. Thank you, but get away from me with your children and advice on how to have them. I know how to live myself. The critters are trying in every way to impose natalism on everyone around them, even on Satanists. Most Satanists do not want children and are conscious anti-natalists. Go to Hell with your advice and children!

Image 2224. Wild people reproduce better than others. The less awareness, the greater the animal savagery

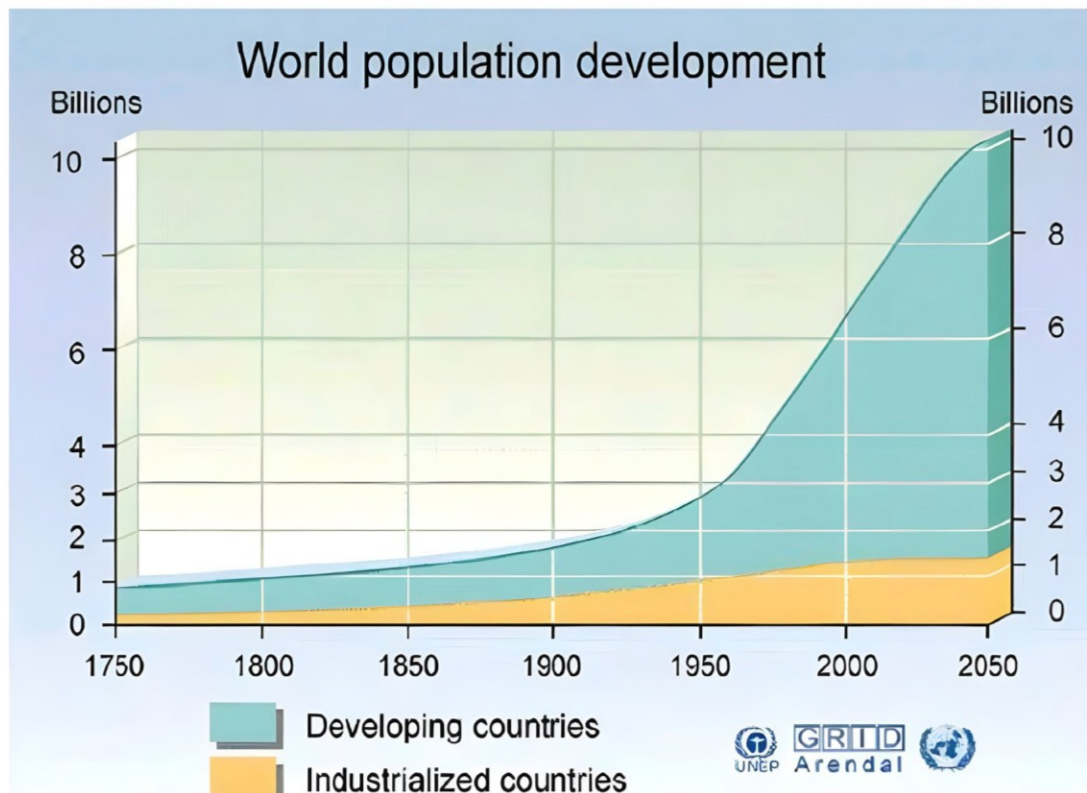

Image 2225. Graph showing the dynamics of human population growth from 1750 to 2500. Savages lead in offspring

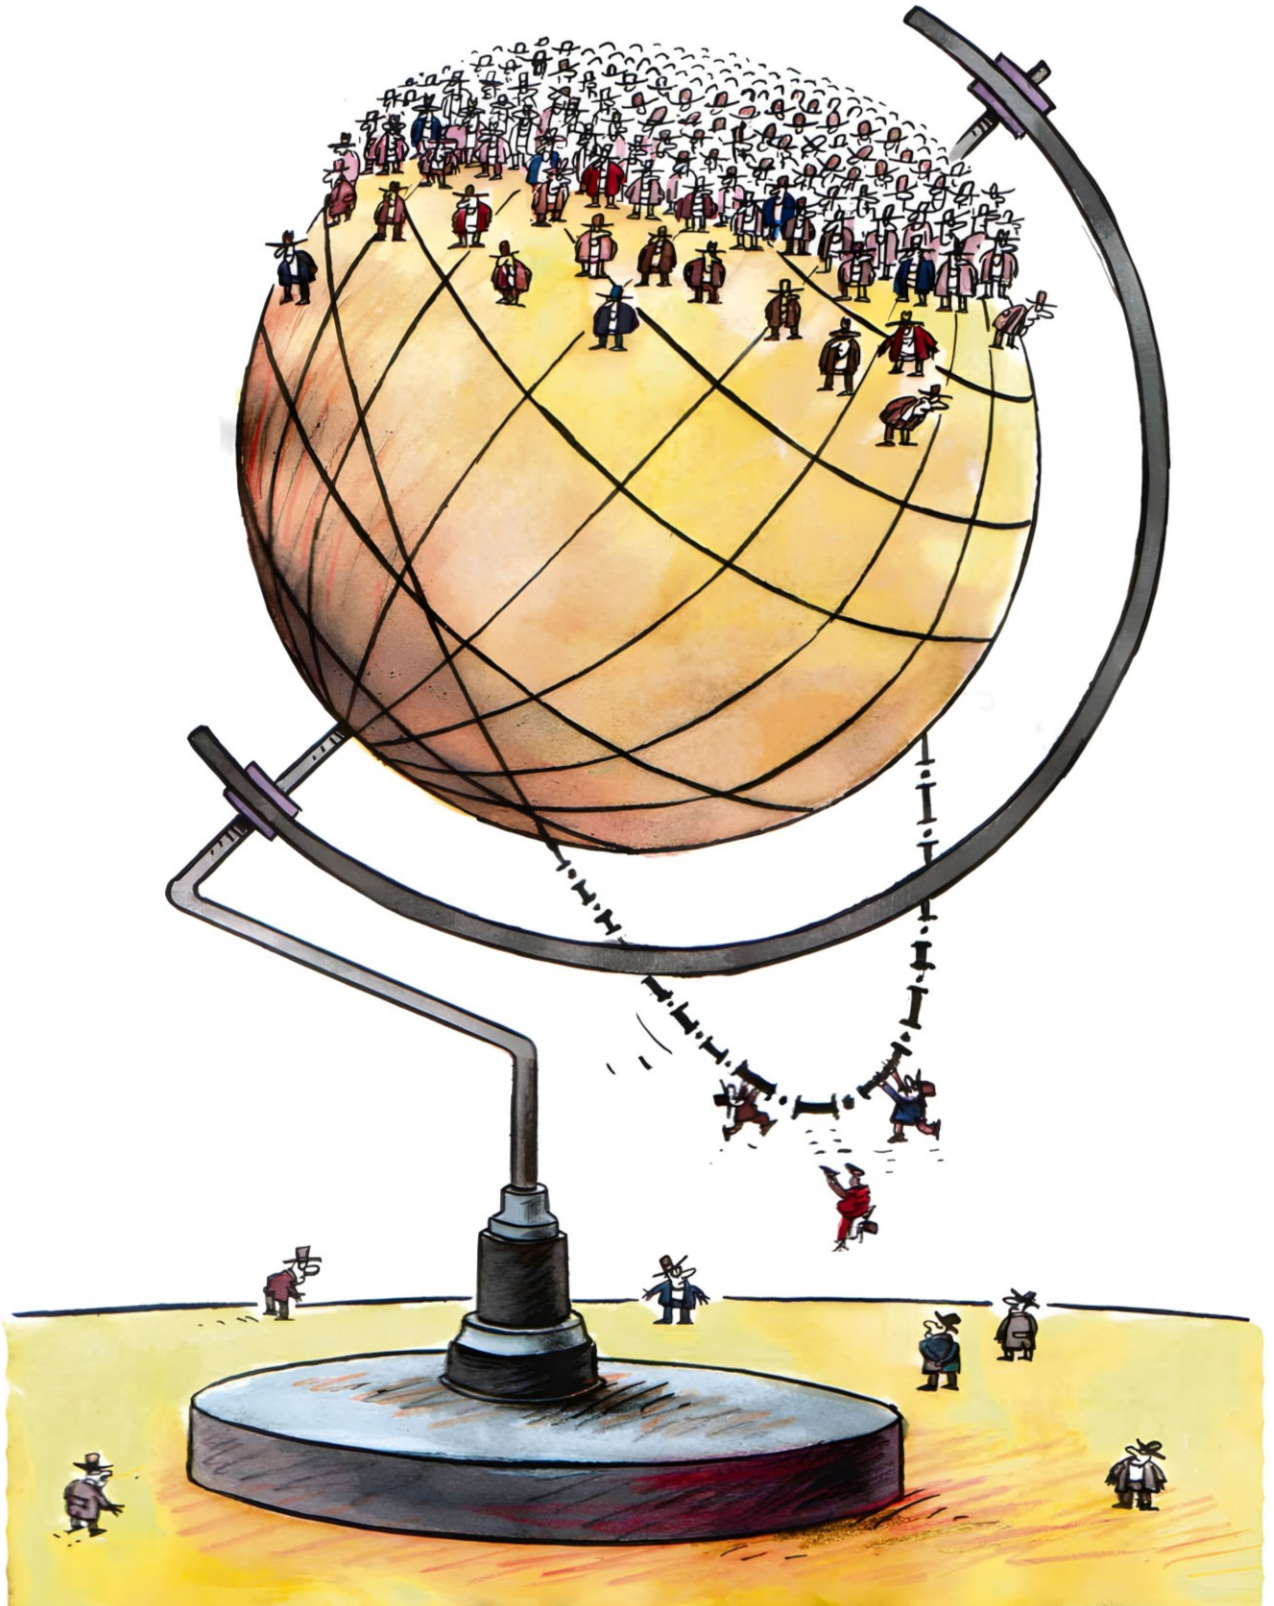

Image 2226. Small globe with little Jews

Image 2227. Make children not for rent as slave labor for the enrichment of the employer and not for sale to the GOPG, as cannon fodder. Conscious parents have children when there are resources for children, real estate, time, money, wisdom and, preferably, spiritualization by Satan

Image 2228. The child of Satan is a good child. This child is the antipode of the critters of evil. Such children are called natural born Satanists.

Image 2229. A mother with her offspring. She wants to have fun and enjoy life, but she has to babysit the offspring

Image 2230. The beasts board a train. India or Bangladesh, it doesn't make much difference

Image 2231. The ability to thoroughly litter the territory of habitation is an important feature of brainless critters. Critters use materials of developed civilizations, while their animal development does not allow them to understand that anthropogenic technological garbage should be technologically disposed of

Image 2232. The birth of a new critter in an anthropogenic cesspool.

Image 2233. A conscious woman (most likely a Satanist) with a poster Stop having kids.

Image 2234. Funny road signs of natalists: Road for women in labor and Single women are not allowed to run here

Image 2235. Funny sign of anti-natalists: Those who love to give birth to offspring (natalists) are prohibited from entering

Image 2236. Urbanization and the concentration of critters in cities are a favorable environment for epidemics

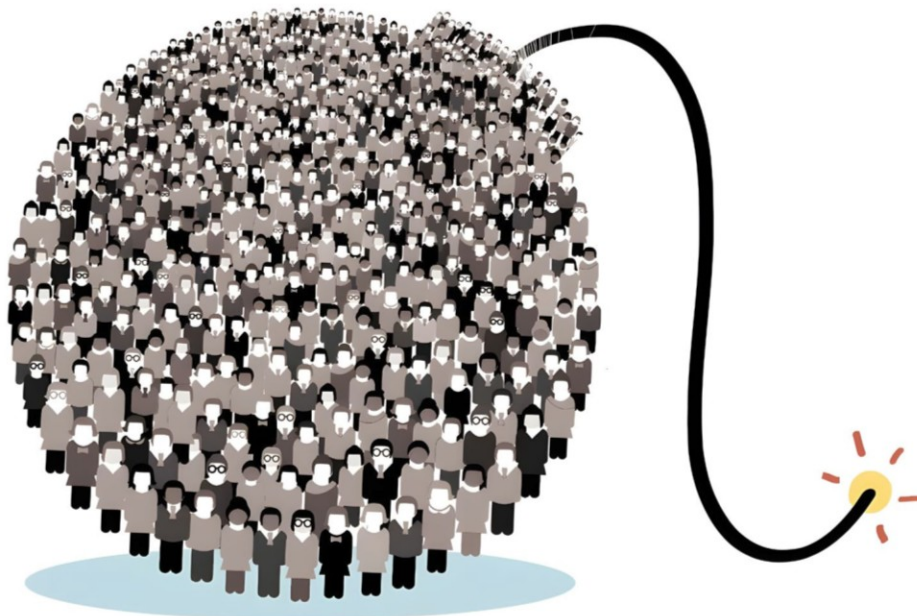

Image 2237. Overpopulation is an intraspecies bomb of various explosive processes: competition, epidemics, housing crisis, wars, lack of value of each extra person

Image 2238. Anthropogenic pollution of planet Earth, in the form of a child's abstract drawing.

Image 2239. Fascist and leader of the USA GOP Donald Trump makes America great again in Hell. The entropy of degenerates, villains, fascists will be great and long. The leaders of the GOP have a lot of helpers

Image 2240. Continuing the theme of crazy wagons loaded with critters. This train carries them to Hell, to entropy

*Image 2241. Anthropogenic pollution of planet Earth by industrial production to satisfy the consumption of critters.
Factories and machines produce various products for 8+ billion critters*

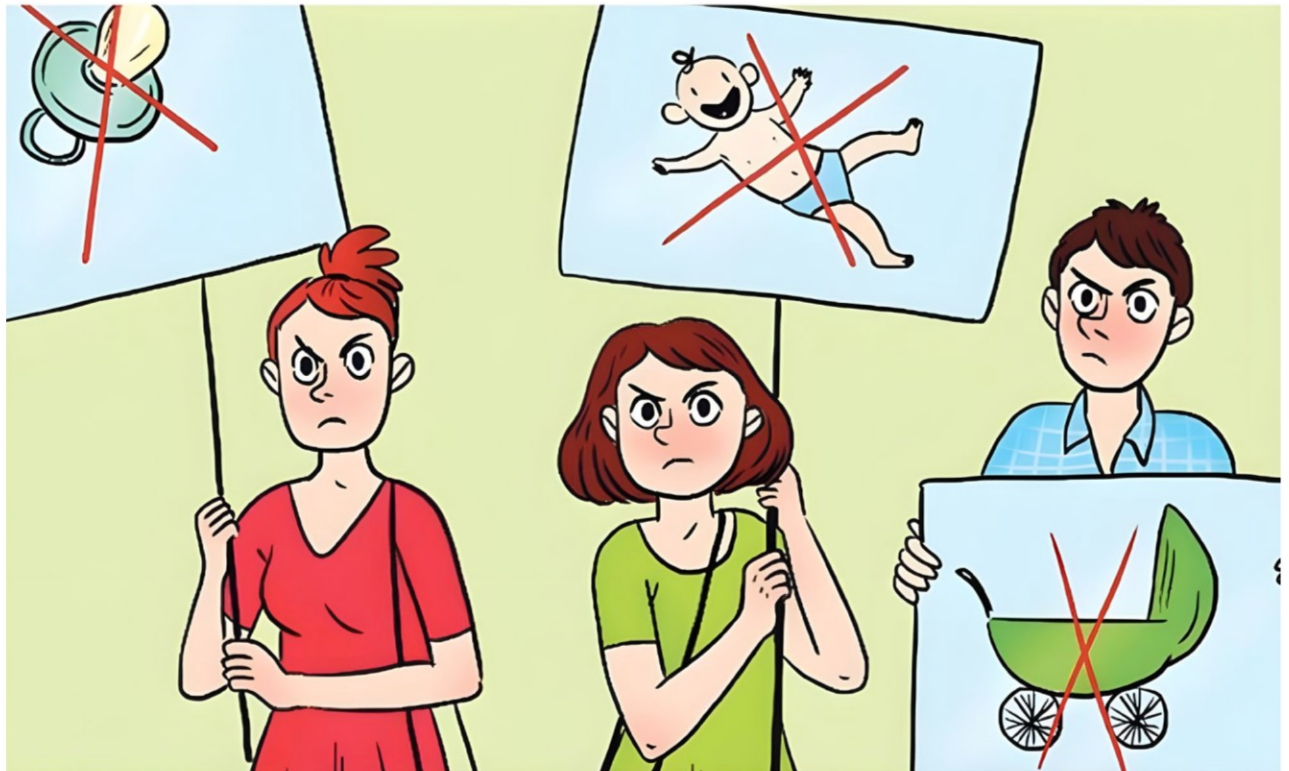

Image 2242. A demonstration of anti-natalists who adhere to the concept of childfree. We don't need pacifiers, children or strollers. Of course, it looks funny, but don't forget that natalists impose their dogmas about the need to give birth to children, as if this is a genuine truth or an axiom in mathematics

Image 2243. Keep abortion legal! Support the legality of abortion! This is the demand women make to the leaders of the GOPG. Antichrist Bitch Sodomy recommends that conscious women Satanists do permanent sterilization, and not go around with cardboard boxes, begging for mercy from the fascists of the GOPG

Image 2244. The overpopulation of the "developing countries" comes from the lack of awareness of the population of these territories and from low spirituality. Savage people use the achievements of white civilization and reproduce like animals. Satanism is awareness. Savagery is an animal life in the style of monkeys. Black people can also be conscious if they live among the spiritualized white civilization.

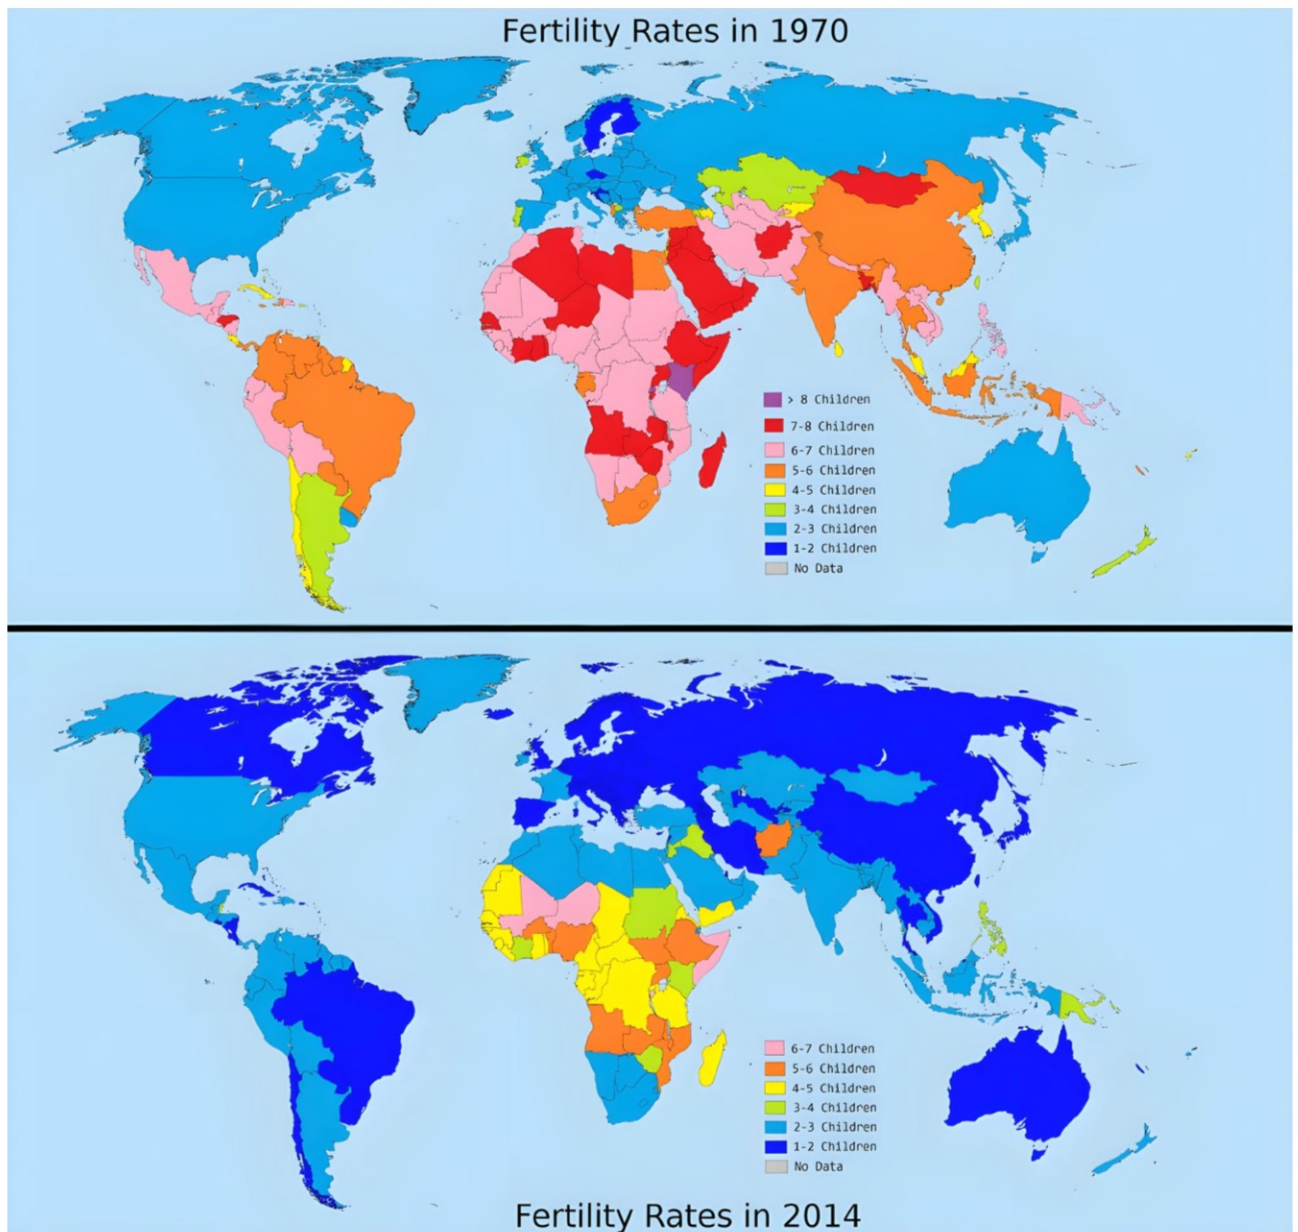

Image 2245. Comparative birth rates on planet Earth in 1970 and 2014. The overall rate has decreased, but it is worth remembering that the absolute number of new offspring has increased or remained at the same level. Scandinavians were the most conscious people in 2014 and did not produce senseless offspring at that time.

Image 2246. The mud of Indian religion, life and consciousness. Critters in the mud of the Ganges River (or another river, it doesn't matter)

Image 2247. Another crowd of wild people in a wild area and with wild customs of animal reproduction of their own kind. These people are unconscious critters and satanic spiritualization is not available to them

Image 2248. Do you have kids? This is perhaps the most impudent question of the beasts for antinatalists and Satanists. What business is it of yours, beasts? Your new offspring, your children are meaningless for antinatalists. In Japan, a country of high spirituality of people, such a question is considered extremely indecent.

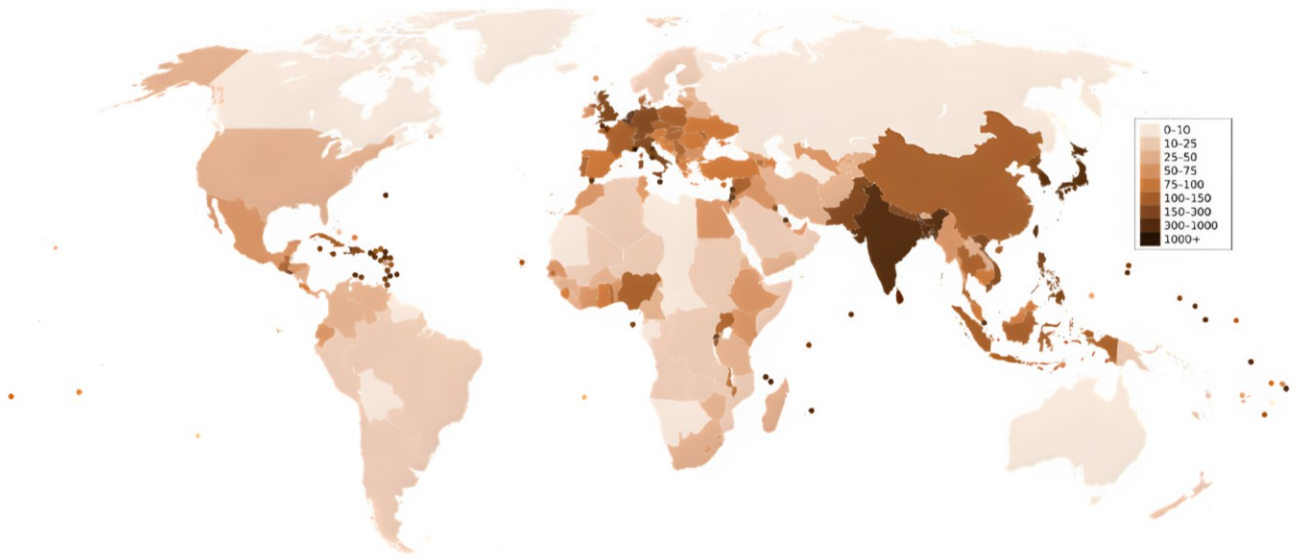

Image 2249. Average population density per square kilometer of territory by country of the world. 2018. Data is averaged and does not take into account urbanization

Image 2250. Love and do not multiply without necessity! There is no need to multiply and reproduce now. Live for yourself!

Facts about Overpopulation

- There are about 7 billion people on a tiny orb only 8,000 miles wide and 24,000 miles in circumference
- We add about a million and a half people to our population every week
- As birthrates rises we use more natural resources than

it can be replaced.

Image 2251. Overpopulation poster from the internet. The Pope with the inscription: No birth control

Image 2252. Funny poster-obviousness: Women's vagina is MINE! Fascists believe that they control vaginas and reproduction. Fascists consider women's vaginas to be state organs.

Image 2253. "Good" Satanists, antinatalists and childfree people. It is not known exactly who this group of conscious people are, but they call not to have children. Among the white people there is a dark-skinned man and he has a high awareness, unlike wild Africans. In spirituality, he belongs to the white race

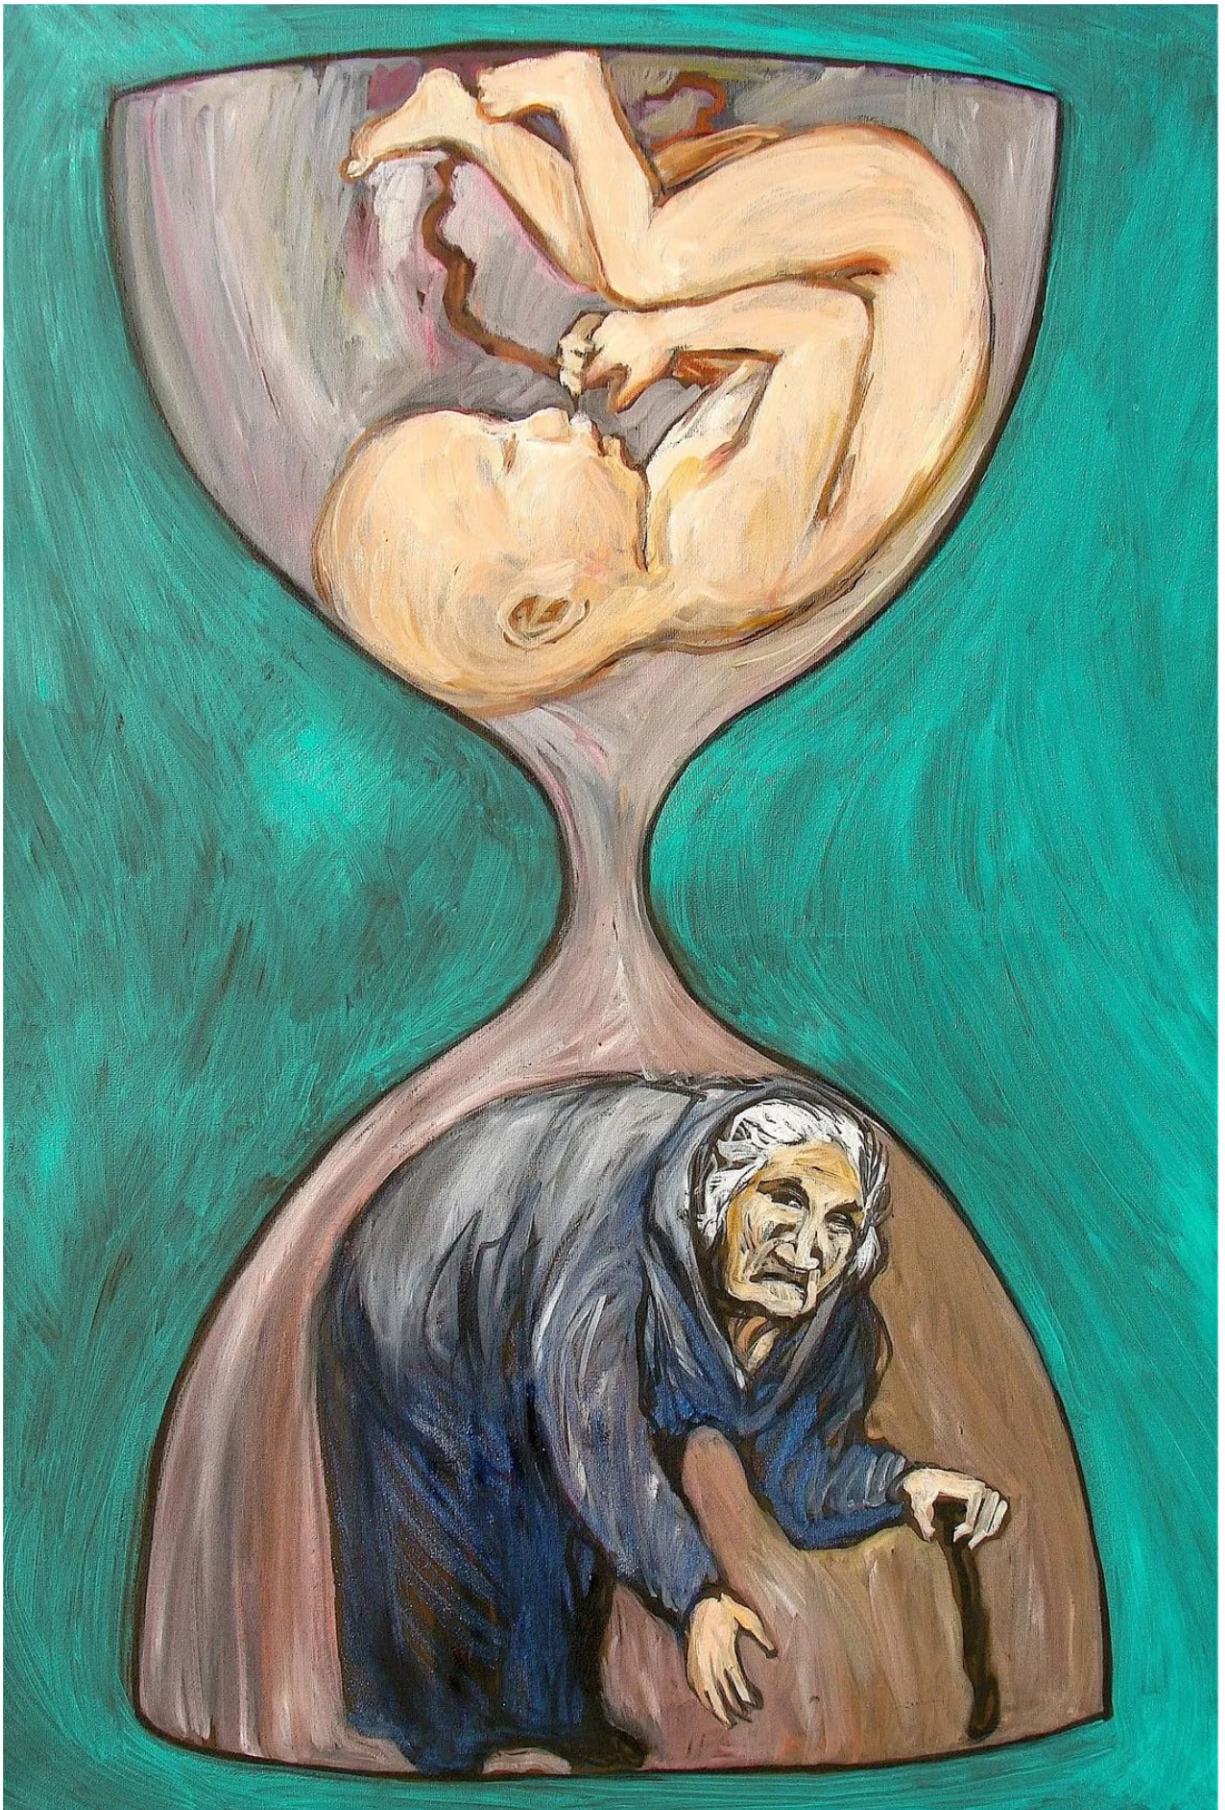

Image 2254. *The Hourglass of Antinatalism: When you give birth to a new person, you give birth to her suffering+ old age*

Image 2258. A typical day for the beasts. A bath of slop is apparently considered sacred. Like cow shit...

Image 2259. Islamic sectarians are doing their own thing... They are the antipodes of Satanists. Fanatics are religious, aggressive and pretend to be "correct". Satanists do not pretend to be correct, and do not even have clear rules. Satanists are given rules by their spiritualization by Satan

Image 2266. Funny picture. A Satanist looks at a laughing priest of a Christian sect with the inscription: "America is not a theocracy. End forced motherhood."

Image 2267. A little Satanist born in our world does not know where to start. The whole world is polluted by critters, their anthropogenic secretions of dirt and evil. Even adult Satanists do not know how to defeat the evil of anthropogenic pollution. It is good that this is known to the External Information Field

Image 2268. Make love, not babies. Outdoor advertising poster

Image 2269. Arthur Schopenhauer. Don't have kids.

Arthur Schopenhauer was an anti-natalist because he believed that life is inherently unpleasant and painful. He argued that we make ourselves suffer by having children, and that this suffering outweighs any potential joy that bringing another life into the world might bring.

Image 2270. The gene of evil and animal stupidity, herd mentality and nastiness are sewn into the genome of humanity. By giving birth to new offspring, you give birth to evil critters. The smaller the total population of planet Earth, the better its quality will be. Stop giving birth to freaks! You have given birth to too many

Image 2271. Anthropogenic pollution of planet Earth by critters is not only dumps with bottles, but also vile critters that will suffer in our overpopulated world and go through the process of torment in Hell.

Image 2272. Satanic picture: the critter of evil will not be born in the form of a new offspring. The forces of Hell do not allow evil to be reborn and appear in our world. Surrealistic picture of black magic against the rebirth of evil critters

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art ♦ , without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism "Gay Lust." This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire "Gay Lust" is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism "Gay Lust" on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

The themes and genres of these drawings are completely different, but they are united by the fact that viewing these drawings spiritualizes a person with Satan on a subconscious and conscious level. More precisely, these collections of satanic drawings can be called the visual aesthetics of gay Satanism. Of course, visual aesthetics spiritualizes a person.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁵ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁶.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

¹⁵ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁶ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy

cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action ♦ .
